

# Gold Coast tops the bill

**Q**Ueensland is definitely the place for a family holiday, taking all top 10 places in a favourite Australian resort annual survey by the *Holidays with Kids* magazine.

The magazine's editor Cathy Wagstaff says there's no greater inspector of a resort than a parent, and no harsher critic of facilities than a child.

The favourite destination was Paradise Resort followed by Sea World Resort, both on the Gold Coast, then Club Med Lindeman Island, in the Whitsundays.

Queensland also scored the top two of the favourite holiday parks with Treasure Island Holiday Park followed by Ashmore Palms Holiday Village, again both on the Gold Coast.

The NSW Blue Dolphin Holiday Resort came in third.

The favourite overseas resort was Shangri-La's Fijian Resort, in Fiji.
