Family skiing: The growing popularity of ski holidays for Australian families has prompted Holidays with Kids magazine to produce the country's first-ever family ski magazine. And it's offering families a special, five-day ski holiday for less than \$2000. The deal from Alpine World includes five nights' apartment accommodation in Jindabyne, five-day hire of parkas, pants, skis, stocks and boots for the family and a three-day flexi ski lift pass at Thredbo. Priced at \$1904 a family, the package is valid for two adults and two children (aged five to 14) from June 6 to 27 and August 31 to October 5. Details: visit www.holidayswithkids.com.au
